

## LUCIDSOUND® SHIPS LS35X WIRELESS GAMING HEADSET FOR XBOX ONE – CONNECT DIRECTLY TO THE CONSOLE

*Highly Anticipated Xbox Wireless Headset Delivers Advanced Features, Superlative Audio and Effortless Setup*

**San Diego, CA – October 10<sup>th</sup>, 2018** – LucidSound®, the fastest growing gaming headset brand, announced today the shipping of the **LS35X Wireless Gaming Headset** for Xbox One. Shipping globally starting today, the **LS35X** is the most anticipated headset in the LucidSound product line. Ideal for the discerning gamer, the **LS35X** features the same 'Xbox Wireless' technology found inside the Xbox Wireless Controller, allowing the headset to connect directly to the console with no chat cables, base-stations or dongles.

Designed to offer audio fidelity far beyond standard gaming headsets, the **LS35X** sits in a league of its own for Xbox One owners. The **LS35X** is officially licensed by Microsoft and compatible with Windows Sonic for Headphones surround sound technology, providing exceptionally accurate spatial audio positioning. In addition, the **LS35X** also supports *Dolby® Atmos™ for Headphones*.

"We'd like to express a huge thank you to our community who have patiently waited for the release of the **LS35X**," said Chris Von Huben, CEO of LucidSound. "It is our goal to deliver the best true wireless audio experience on the Xbox."

The feature rich **LS35X** includes:

- 100% wireless using 'Xbox Wireless' technology, one button sync
- No setup necessary, auto configures for Xbox One
- Surround Sound via Windows Sonic for Headphones
- On screen prompts showing headset connection and battery status
- Integrated 15 hour rechargeable battery
- Custom engineered 50mm drivers specifically tuned for gaming
- Iconic intuitive control system, effortlessly adjust audio and chat by simply by turning the ear-cup
- Durable metal frame and a flexible headrail provides an exceptional fit
- Ultra plush, gel-cooled oval earcups include memory foam for superior comfort
- Advanced dual mic system with mic monitoring

---END---
